

# Incoming 9<sup>th</sup> Grade Registration Instructions

1. Fill out the 9<sup>th</sup> Grade Registration Worksheet on the back of this form. A practice registration card will also be provided to current 8<sup>th</sup> grade students. All courses offered to 9<sup>th</sup> graders are listed there. Course descriptions are listed in the Program of Studies, which can be found on the PHS website. Simply click on the registration link from the PHS homepage. <http://phs.sowashco.org>

**You will be selecting the following:**

**Honors English 9 A/B/C or English 9 A/B/C = 3 credits**

**Geography A/B or AP Human Geography A/B/C = 2 or 3 credits**

**Physical Science A/B/C, Honors Physical Science A/B/C or Biology A/B/C = 3 credits**

**Math class recommended by your teacher = 3 credits**

**Do you want to take World Language, Music, Art, Physical Education, or other electives? Keep in mind that four-year colleges expect a minimum of two years of World Language. Write in the electives you'd like on your worksheet until you have filled the schedule (6 courses each trimester = 18 courses).**

2. Include **5 alternate elective** choices, including the course number, on the worksheet. We will use these courses to create your schedule if your first choice electives don't work out.
3. Have your parent, math and social studies teacher sign the registration worksheet.
4. You will use the worksheet when you work with counselors to fill out the actual registration card. Keep the worksheet in a safe place where you won't lose it.
