

This is what **Coach Stephanie Tolkinen** has to say about Justine Jameson: Justine has been one of our consistent leaders on the court this season. She has been the player that the opponent has targeted every game this season. She gets grabbed, held, and knocked down but she gets back up again every time. Justine has shown growth and maturity through this season as an athlete, a leader and most importantly as a student. She has worked hard in the classroom (mostly virtual) to improve her GPA. Last term she had a 4.0 GPA!
