Acceptance remarks: It's a great honor to be inducted into the Park High School Hall of Fame. As I've gotten older, I realize how much outside factors played a role in my individual success. I'm extremely lucky to have grown up in an area where hockey and soccer were part of the culture, where youth programs were filled with terrific volunteer coaches where the kids my age happened to be great athletes and even better people, and in a family that supported my choices and helped me reach my goals. I'm thankful to everyone who helped make this possible.
