## Conduct at Commencement

Commencement is considered the most formal and public of our educational ceremonies. Our seniors are celebrating the successful completion of 12 years of formal education. Having family and friends attend the ceremony honors this achievement. We ask all who attend commencement to abide by the following guidelines.

- The Commencement ceremony will be conducted with appropriate dignity and decorum. Do not bring air horns, loud noise makers, or fireworks to the ceremony. Do not clap, yell, or make other noise when your student's name is called as it prevents the name of the following student from being heard.
- Please be considerate of those around you, as Commencement is a meaningful occasion to all guests in attendance. All family members and guests are asked to remain seated during the entire ceremony.
- The use of alcoholic beverages or drugs and participation in disruptive activities during the ceremony is prohibited and will be handled accordingly. Students believed to have used these substances prior to the ceremony will not be permitted to participate in commencement.

## Commencement Ceremony Photos

We are working with vendors to provide photography services for our graduating seniors. We will update students and families when we have information available.

## Class of 2021: Closing out your Senior Year

Senior Meal Account Balance

---

Parents must review their senior's meal account balance to determine what to do with any funds that remain in their student's account after graduation. Remember to remove any automatic payments at School Cafe: <https://www.schoolcafe.com/sowashco>  
Check your student's balance through [Nutrition Services](#).

## Graduation Requirements

District 833 requires students to complete required courses and credits in order to receive a diploma. Details about our district's graduation requirements are published in the high school Program of Studies (under the counseling menu). [Program Of Studies](#)

## Final Transcript

For graduated seniors, one final transcript will be sent late June to the school indicated on the Senior Survey in Naviance. If you did not indicate a school on the survey or are in need of another official transcript you must go through [www.parchment.com](http://www.parchment.com) or obtain a paper copy from the District Service Center.

Students can pay a one-time fee of \$15.00 for unlimited transcripts through Naviance (until graduation; after graduation the cost is \$5.00 per transcript). Students will need to log into their [SmartSchoolK12](#) account to pay for their transcripts.
